**PRESCRIPTIVE RIGHTS STUDY****SANTA CLAUS BEACH
CARPENTERIA, SANTA BARBARA COUNTY**

Dear Coastal Visitor or Resident:

Enclosed is a Public Use Questionnaire and a Fact Sheet briefly describing the framework and purpose of a Prescriptive Rights Study. The State of California is investigating public use of Santa Claus Beach and all vertical accessways from Santa Claus Lane across the dunes and the railroad tracks to Santa Claus Beach, including the access path next to the A-Frame Surf Shop. We have attached to the questionnaire aerial graphics showing the beach and surrounding area.

The investigation is for the purpose of determining whether any public rights exist on the site by reason of past public use. If you have any knowledge about such use of that area, we would greatly appreciate it if you would take a few moments to fill out and return the enclosed Questionnaire and Declaration. A return-addressed envelope is provided for your convenience. If you are downloading this electronically, please sign and mail the original to the undersigned at the above address.

We recognize that the Questionnaire, with its accompanying maps, may appear at first glance to be somewhat complicated. However, furnishing the requested information is critical to the determination of whether there has been sufficient use of the area to establish public rights of use.

If you would like additional copies of the questionnaire or have questions or comments, please feel free to call Joy Chase at 831-427-4865 or email jchase@coastal.ca.gov. Thank you for taking the time to participate in this study.

Very truly yours,

Joy Chase
